Our Values

Featherstone Primary School is proud to be a Values-based school. To give our children the opportunity to thrive socially, morally, personally and culturally, each Value is studied in-depth across the course of a month. It is introduced and worked upon in-class and then consolidated and extended in Key Stage Collective Worship. The Values are linked throughout the curriculum, especially through PSHE and RE, as well as through daily school life.

In actively teaching and promoting our Values, we aim for our children to develop into well-rounded individuals who care for themselves, others and society.

Our twenty-two Values are:

Respect	Diversity	Friendliness	Honesty	Self-discipline	Trust
Co-operation	Patience	Self-belief	Courtesy	Aspiration	Kindness
Responsibility	Courageous Advocacy	Independence	Perseverance	Understanding	Compromise
Environmentalism	Resilience	Individuality	Thoughtfulness		

Pupil Pledge

Pupils at Featherstone will agree and pledge their commitment to adhering to the rules of the school and society.

At the beginning of the school year, pupils will be reminded of the expectations set out in the school pledge. Teachers will ensure that pupils understand this.

The three values that link to the behaviour around school are:

- **Be Respectful**
- **Be Responsible**
- **Be Co-operative**

At Featherstone Primary we expect all our pupils to show exemplary conduct, this includes being polite and using good manners.
