4. Personal Education Plans (PEPs)

4.1 All LAC pupils must have a care plan; PEPs are an integral part of this care plan.

4.2 The PEP is an evolving record of what needs to happen for a pupil to enable them to make the expected progress and fulfil their potential.

4.3 The PEP will reflect the importance of a personalised approach to learning which meets the identified educational needs of the child.

4.4 The school will work with other professionals and the child's carers to use the PEP to support the child's educational needs, raise the child's aspirations and improve their life chances.

4.5 All relevant bodies, such as the LA, the designated teacher and carers, will involve the child in the PEP process at all stages.

4.6 The PEP will address the pupil's full range of education and development needs, including:

- On-going catch-up support, which will be made available for children who have fallen behind with work
- Suitable education provided by the LA, where the child is not in school because of suspension or exclusion
- Transitional support where needed, such as if a child is moving to a new school
- School attendance and behaviour support, where appropriate
- Support to help the child meet their aspirations, which includes:

- Support to achieve expected levels of progress for the relevant national key stage and to complete an appropriate range of approved qualifications
- Out-of-school hours learning activities, study support and leisure interests

5. Working with agencies and the VSH

- 5.1. The school will ensure that copies of all relevant reports are forwarded to the LAC social workers, in addition to carers or residential social workers.
- 5.2. The school will coordinate their review meetings; for example, hold their annual review of LAC with their statutory care review.
- 5.3. The school will work with other agencies to exchange information such as changes in circumstances, exclusions or attendance issues.
- 5.4. Behaviour management strategies will be agreed between the VSH and the school, to ensure challenging behaviour is managed in the most effective way for that individual child
- 5.5. The designated teacher for LAC and PLAC will communicate with the VSH and child's social worker to facilitate the completion of the PEP.
- 5.6. Through the designated teacher, the school will work with the VSH, social worker and other relevant agencies to monitor any arrangements in place so that actions and activities recorded in the child's PEP are implemented without delay.
- 5.7. The designated teacher will communicate with the VSH and agree on how Pupil Premium Plus (PP+) can be used effectively to accommodate the child's educational attainment and progress.
- 5.8. PP+ for PLAC will be allocated directly to, and managed by, the school.

- 5.10. The designated teacher will ensure consistent and strong communication with the VSH regarding LAC and PLAC who are absent without authorisation.
- 5.11. The school will share their expertise on what works in supporting the education of LAC and PLAC.

6. Training

6.1 The designated teacher and other school staff involved in the education of LAC and PLAC have received the appropriate training; this includes information about the following:

- School admissions arrangements
- SEND
- Attendance

- Exclusions
- Homework
- Managing challenging behaviour
- Promoting positive educational and recreational activities
- Supporting pupils to be aspirational for their future education, training and employment

7. Pupil mental health

7.1. LAC and PLAC are more likely to experience the challenge of social, emotional and mental health issues which can impact their behaviour and education. Designated teachers will have awareness, training and skills regarding a child's needs and how to support them in relation to behaviour management and mental health.

7.2. The designated teacher will work with the VSH to ensure the school is able to identify signs of potential mental health issues, understand the impact issues can have on LAC and PLAC, and knows how to access further assessment and support, where necessary.

7.3. To regularly measure the emotional and behavioural difficulties experienced by LAC and PLAC, a Strengths and Difficulties Questionnaire will be used to help social workers, and other relevant professionals, to form a view about LAC's emotional wellbeing. Teachers will regularly complete their element of the questionnaire to assist social workers in their assessment.

8. Exclusions

8.1. Past experiences of LAC and PLAC will be considered when designing and implementing the school's Behaviour Policy.

8.2. The school will have regard to the DfE's statutory guidance 'Exclusions from maintained schools, academies and pupil referral units in England' and, as far as possible, avoid excluding any LAC or PLAC.

8.3. Where the school has concerns about a child's behaviour, the VSH will be informed at the earliest opportunity.

8.4. Exclusion will only be considered as a last resort; where exclusion is considered, the school will work with the VSH, and others, to consider what additional support can be provided to prevent exclusion, and any additional arrangements that can be made to support the pupil's education in the event of exclusion.

8.5. The school will inform parents that they can seek the advice of the VSH on strategies to support their child to avoid exclusion.

9. Pupils with SEND

9.1. Support for LAC with SEND, who do not need an EHC plan, will be covered as part of the child's PEP and care plan reviews.

9.2. The SENCO, class teacher, designated teacher and specialists will involve parents when considering interventions to support their child's progress.

9.3. If appropriate, the VSH will be invited to comment on proposed SEND provision for PLAC.

10. Information sharing

10.1. Appropriate and specific arrangements for sharing reliable data are in place to ensure that the education needs of LAC and PLAC are understood and met

10.2. The arrangements set out:

- Who has access to what information and how the security of data will be ensured
- How pupils and parents are informed of, and allowed to challenge, information that is kept about them
- How carers contribute to and receive information
- Mechanisms for sharing information between the school and relevant LA departments
- How relevant information about individual pupils is passed between authorities, departments and the school when pupils move
